## Вещь дня: сумка-даффл Saint Laurent

Эди Слиман создал it bag по мотивам своей любимой дорожной сумки

12 АПРЕЛЯ

Новая Saint Laurent Duffle Bag была создана Эди Слиманом на основе его собственной сумки для путешествий. Оригинал был сделан вручную из черной кожи год назад в ателье Saint Laurent для того, чтобы Эди комфортно путешествовал между Парижем и Лос-Анджелесом. Дизайн оригинальной сумки — функциональность в чистом виде — классика, уместная в любой ситуации.

Впоследствии специально для Пьера Берже — главы Дома — был создан второй экземпляр сумки. А третий — для Гвинет Пэлтроу, которая попросила Слимана о простой классической сумке на каждый день. Позже Эди решил сделать сумку-даффл классической универсальной моделью обновленного бренда Saint Laurent для мужчин и женщин. Сумка выходит в 5 размерах и множестве цветов, среди которых нам особенно нравится фуксия — насыщенный цвет весеннего цветения.

Розовую сумку-даффл Saint Laurent можно купить на [официальном сайте марки](#) за 1550 евро.

## NEW IT BAG

SAINT LAURENT

受聖羅蘭大師所啟發提煉的 HEDI SLIMANE，入主 YSL 之後，據說是為了回到當初的成衣設計理念，無論風格以至品牌名字也來個大革新，把極具代表性的 YVES SAINT LAURENT 更名為 SAINT LAURENT PARIS，作風大膽震撼全時裝界。當中由 HEDI 設計的 DUFFLE BAG 系列還屢即成為名模、女星如 KATE MOSS、GWYNETH PALTROW 及 BEYONCÉ 的新寵。系列以四個時間包括 6、12、24 和 48 小時來定出手袋的尺碼，代表著不同的用途以及可以容納攜帶物品的時間跨度。以光滑的牛皮革和絨面革襯裡設計，除了型格的黑、白和灰色外，還有鮮色如桃紅色和鮮綠色、極具夏日色彩，打破 HEDI 一貫的暗黑形象。

## 經典廣告回顧

MARC JACOBS

MARC JACOBS 的平面廣告以離經叛道而聞名，無論從選角、攝影風格、佈景等，處處「相」不驚人驚不休，從視覺上顛覆大家對 HIGH END FASHION 的刻板印象。從去年 11 月揭開序幕的《MARC JACOBS 經典作品展》，至今年 3 月昂然踏入第三階段的展覽，於中環置地廣場內舉行《MARC JACOBS & JUERGEN TELLER: 回歸經典》平面廣告展，展出品牌從 2000 至 2009 年的經典廣告大片，讓粉絲們可窺探 MJ 鬼才的瘋狂視覺世界。MARC JACOBS 與攝影界鬼才 JUERGEN TELLER 惺惺相惜，多年來創作出至今仍為人津津樂道的平面廣告，像是 VICTORIA BECKHAM 從大型的 MJ 購物袋爬出，當年僅 12 歲的 DAKOTA FANNING 的造型照以及 KATE MOSS 性感的搖滾造型廣告等。

SITE: 中環置地廣場 2 樓 237

02 超模 VICTORIA BECKHAM 於 2008 年春夏廣告照上的突破性演繹，至今依然令人回味。

## 美式典雅

BLACK FLEECE BY BROOKS BROTHERS

由 THOM BROWNE 主理的 BLACK FLEECE BY BROOKS BROTHERS 自 2007 年成立以來，以創新手法為品牌 BROOKS BROTHERS 的美式精神和品牌精髓作出突破性的重新演繹，深受時尚人歡迎。最近 BLACK FLEECE BY BROOKS BROTHERS 於中環壹成街開設專門店，是繼美國紐約 BLEEKER STREET、三藩市 FILLMORE STREET 及日本東京表參道山店後，屬於全球第四間專門店。香港店貫徹紐約的總店設計概念及裝潢，風格簡潔樸實，以 19 世紀風格的磚紅石磚牆身，配搭暖色胡桃木陳列櫃及黑色傢俱，營造出親切舒適且時尚的購物空間，與典雅低調的品牌理念同出一轍。今季系列注入了不少新元素，包括以多種熟麗色調、時尚圖案及不同質感的布料相互配搭，如以寬闊拼湊幼間駁條紋布大大提升視覺效果；竹葉、檸檬樹圖案也為經典學院派運動服塗抹上假日風情。

## FIRST BAG

RUPERT SANDERSON

設計幽默、時尚且注重舒適度的鞋履品牌 RUPERT SANDERSON，今年春夏品牌將會增添一個新成員，推出首個以「THE MUSIC BAG」為名的女士手袋系列。設計靈感來自設計師小時候上音樂課時用來放置樂譜的典英皮革書包，書包上的獨特金屬條在設計師的重新演繹下，成為手袋設計的主要元素，配合線條簡潔的款式和意大利的軟身小牛皮皮革，展現出優雅摩登又富奢華的感覺。四款手袋系列包括經典 TOTE BAG DORAFELL、單肩袋 AMALE、斜背袋 LENORA 和 CLUTCH BAG CLARABELLA，配搭不同的色彩，由柔和的水仙花色到永恆的黑色，還有海洋藍色、閃亮的鉑金色以及華麗的棕色，絕對是時尚女性日與夜的 MUST-HAVE。系列將於區方商場新開設的專門店內發售。

## **NEW IT BAG**

Respected and appreciated by Mr. Yves Saint Laurent, Hedi Slimane has a vision to bring Saint Laurent back to the most original design concept since his arrival. The series of move that initiated include the changes in style and brand name from Yves Saint Laurent to Saint Laurent which had astonished the whole fashion circle. The duffle bag that designed by Hedi Slimane had instantly won the hearth of super models namely Kate Moss, Gwyneth Paltrow and Beyonce. The handbag sizes were named by four time slots: 6, 12, 24 and 48, indicating their different usage and the length of travelling time that the handbag volume can support. The designs were rendered in sleek calfskin and velvet and a wide array of colors. Besides the classic black, white and grey color, vivid color such as fushia and green are available as well. The adoption of this vivid color palette is considered as a breakthrough in Hedi's signature style.

## Saint Laurent Paris 揭開神秘面紗

2013年，對於歷史悠久的超級大品牌Yves Saint Laurent (YSL) 來說，是一個相當重要的轉捩點，先是請來Dior Homme前Creative Director Hedi Slimane掌舵，更把名字改為Saint Laurent Paris，時裝界一直期待他的作品會否帶來新意。今個春夏，他主理的首個時裝系列終於面世，回響卻不一，有的說沒太大突破，有的說未能忠於聖羅蘭的精神，但說句公道話，畢竟這場騷是他上任後的第一次，路，還是很長，何必太早一鑿定音。

文：Candy 攝：Ben 模特兒：Corallin (Mission Models HK)  
化妝：Karen (Lai Wai Yin)

雖有非凡魅力的Hedi Slimane，之前於Dior Homme擔任男裝設計師短短幾年，曾以超男身剪裁西裝震盪了全世界，男士們紛紛願意要瘦身，只為穿他的設計，那時為品牌及自己打了一場勝仗。但該轉會，難在外傳對他有所期望，希望神話再次降臨於Saint Laurent Paris身上，人氣更上一層樓。無論作品如何，畢竟Hedi Slimane將會已經夠話題性。

### 叛逆搖滾

轉會後，Hedi Slimane的首要任務是把Saint Laurent

Paris女裝搞得有聲有色，為實業品牌的高級，也參考聖羅蘭過往的代表性設計，沿用大量蝴蝶結、Tuxedo、斗篷及雪紡系綉，再度合自己一套的時尚美學，塑造出不一樣的聖羅蘭風采。看過裝場騷，或許會察覺與該業於一身，一個又一層模特兒，穿上Saint Laurent的豹紋圖案系列，Le Smoking Look的變種Tuxedo西裝及及看米亞的雪紡長裙，頭上必定戴上一頂寬邊紳士帽，增添另一份神秘感。

手袋配飾方面，設計跟隨時裝大膽勢走，沒有花巧的點綴，實的，只有簡單俐落的線條。

黑色素有神秘而叛逆的味道，Hedi Slimane大膽用上黑色作為素材，展現出女性獨有的風采。

大蝴蝶結配搭變種Tuxedo西裝褲，時尚之餘，又帶貴族品牌精神。

品牌向來崇尚「男裝女穿」的概念，好像黑色西裝褲上身有型的黑色皮褸或皮質西裝外套，型格獨特。

今季推出大量金屬及流蘇裝飾，把它鑲嵌於胸口前，配搭同系列的長褸，起着畫龍點睛之效。

## 陳慧琳黑盒主義

肩負老牌重生的美麗使命各有各做法，Hedi Slimane入主聖羅蘭大宅門，除之前寶號改回Saint Laurent、將設計總部搬到美國加州種種，注定破格顛覆因子的佈局。Hedi為聖羅蘭帶來第一個It bag的Duffle Bag，便是以他平常生活的旅行袋為藍圖，由一個人手打造黑色皮革盒子輪廓而來，有着pure function及classicism主義。據知Hedi更tailor made第二個給聖羅蘭先生生前伴侶Pierre Berge。

簡單的盒子輪廓、可手挽及揹帶功能，當中有黑色、泥土、酒紅、綠及粉白色調。Hedi的好友姬蒂摩絲(Kate Moss)、《變形金剛》女主角露絲亨廷頓章莉(Rosie Huntington-Whiteley)，英國歌手Lily Allen等已拜為聖羅蘭粉絲，亞洲代表則有陳慧琳。

Since Hedi Slimane has taken the helm at Saint Laurent, a series of move including the renaming of brand to Saint Laurent and moving of the atelier to California which was initiated by him have already showed his determination in changing the DNA of the brand. Hedi Slimane designed his debut IT bag – Duffle bag for Saitn Laurent. The key idea that he was based on is to create a bag that is suitable for daily trips. The bag's silhouette was indeed originated form a hand-made black box which was consisted of pure function and classicism. It is acknowledged that Hedi had tailor-made a second one for Mr. Yves Saint Laurent's long-term partner Pierre Berge.

## **The Newsmaker**

**The saying “No news is good news” sounds reasonable on international current affairs but not for a talent who has high reputation in fashion circle and just returned to well-known luxury brand Saint Laurent—Hedi Sliamne. What he needs now are exactly news and noise, no matter good or bad ones. Making noise, Hedi just did it, in a surprisingly successful way. The move of renaming the brand has already astonished everyone in the industry but Hedi is not satisfied with that. He made another radical move by staging models in California grunge look in 2013 Fall/ Winter fashion week, in which the style is totally different from former designers in the house. With such a short time for them to digest the news, fashion critics expressed their intolerance towards the collection.**

**Nevertheless, it is these negative noises and criticisms which reassured Heid’s precious media value. Just take a look on the snapshots that Kate Moss and musicians wearing Duffle 6 in their arms. It already proved the unique value and status of Hedi.**

香港名牌書包的歷史中佔有重要地位，Hedi Slimane 在 2005 年推出「Hedi Slimane」品牌，將他的設計風格帶到香港。這也引起許多人的注意，Hedi 為其品牌推出第一款 bag 叫 Duffel Bag，就是以此平常生活的型作為藍圖，由一個人手打成的具色及革子製成而來，有著 pure function 及 classicism 之意，讓 Hedi 更 tailor made 第二級別配製變亮亮主觀的 Pierre Bergé。

## The Stars Love Saint Laurent's Duffle Bags From Kate Moss To Beyoncé

Grazia - 10 hours ago

[Email](#) [Recommend](#) [Tweet](#) [Share](#) [+1](#) [Pin it](#) [Print](#)

The hottest bag to be seen with right now has to be Hedi Slimane's first it bag, the Saint Laurent duffle. We love it so much we put it the number one spot in the Fashion Charts in this week's issue. Gwyneth was the first star to be spotted with the slate grey version swinging from her arm at LAX airport back in August. Skip forward six months or so and the leather loveliness has been carried about by everyone from Beyoncé to Kate Moss.

La Moss could well be Hedi Slimane's number one fan, as she has worn a fringed suede SL jacket, the Autumn 2013 sheer body suit and a Saint Laurent lace jacket and cigarette pants. She loves the clothes, yes, but Mossy has a definite soft spot for Hedi's accessories. As she has been spotted with the yummy duffle bag on several occasions, showing that the bag is one of the most versatile handbags around. She has paired her black Duffle 12 with a traffic stopping blue fur, a sleek black tuxedo and cigarette pants and a leopard coat and trilby.

The bag is clean and classic, so won't date like some of the notorious it bags of the early 2000s. It's simplicity means that it works with different styles, as the bag has been worn by French hipster Lou Doillon, glossy super Rosie Huntington-Whiteley, pop royalty Beyoncé and grungy style icon Sky Ferreira.

Bey wore her Saint Laurent duffle to sit courtside with her hubby Jay, with a pair of neon heels and a look-at-me blazer. While model Hanne Gaby wore hers with a black maxi and cream shirt to wander the Tuileries in between shows at Paris Fashion Week. The Laurent bag is the ultimate hunk of leather to achieve the model off-duty look.

The duffle is available in three sizes in black, grey, off-white, blue, red and pink. But the most popular colour by far is black, followed closely behind by the grey version. If you have a spare £1,545 lying around head to [ysl.com](#) and place your order.

But if you can't drop a grand or two on a bag just yet, then take a look in the gallery above and spend the next ten minutes swooning at one of the most beautiful bags you'll see this season.

Kate Moss joined the Hedi Slimane fan club some time ago. She sat on the front row to see his Spring 2013 collection for Saint Laurent in October (wearing a Hedi creation, *bien sur*) and has been spotted out and about in a number of his designs. The latest was this week when she wore a fringed suede Saint Laurent jacket to have lunch with her daughter Lila Grace in London. The rock n' roll rodeo jacket is classic Kate Moss - you might remember she was spotted in a [fringed leather jacket](#) last year.

For more proof that Ms Moss is a Hedi Slimane super fan, let's not forget she was the first to wear Hedi's grunge-tastic Autumn Winter 2013 collection. Kate showed her loyalty to the brand by wearing a [diamante sheer bodysuit and blazer](#) fresh off the runway to a Paris Fashion Week party last month. She may have remained quiet on [that Cathy Horan v Hedi Slimane fashion spat](#), but has shown her allegiance via her Saint Laurent-stuffed wardrobe. What better mascot could there be than Mossy?

And there's more! Back in November, when promoting her book at Colette in Paris, [the supermodel wore an elegant Saint Laurent lace jacket and cigarette pants](#) with a black tassel necklace. And Moss is clearly a fan of Saint Laurent accessories (who isn't?) as she wore an [SL Betty bag](#) in black suede with a gold chain for her Valentine's Day date with hubby Jamie Hince. She also has been spotted with the yummy Saint Laurent Duffle 13 bag out and about in Paris. In fact, Moss was one of the first ladies to get her paws on the leather loveliness.

So she's secured her super fan status, but could Ms Moss be angling for a place in Hedi's next ad campaign? Mr Slimane likes to cause a stir with his campaign stars as we were reminded just this week when [Marilyn Manson](#) was announced as the new face of Saint Laurent's Pre Fall collection. Hedi certainly likes that rock n' roll ad edge as [Courtney Love](#), [Ariel Pink](#) and [Sonic Youth's Kim Gordon](#) were also signed up to star in the latest '90s-esque images. [Beck](#) and [Sky Ferreira](#) have also posed behind the camera for Hedi.

Now can you get more rock n' roll than Ms Kate Moss? We think not. She is a Glasto veteran, is married to a rockstar and has even taken to the microphone alongside ex Pete Doherty. Keep your fashion fingers crossed for a Mossy Saint Laurent ad campaign...

*Below: My new bag obsession... Saint Laurent Classic Duffle Bag actually looked equally good on a guy as does a woman! (Thanks to Cotonblanc's pic from Purseforum)*

*Below: The minimal and modern design makes the bag guy friendly... I know I'd carry one in a heartbeat!*

Saint Laurent Classic Duffle Bag

First spotted on **Kate Moss**, then followed by the likes of **Beyonce** and **Gwyneth Paltrow**... The **Saint Laurent Classic Duffle Bag** has seen its fair share of celebrity sightings. It's now one of the most recognisable bag in recent months.

**Hedi Slimane** may have been garnering mixed reviews over his overhaul at YSL. His womenswear collections are either loved or frowned upon by fashion critics, but one thing's for sure... this guy creates things that fans want. Hedi Slimane's Saint Laurent do translate well in sales, seeing how a large number of retailers are enthusiastically stocking his creations.

The Saint Laurent Classic Duffle Bag is positioned as a unisex bag, keeping in line with Hedi Slimane's fascination with androgyny. Minimal lines and timeless details also reinforce this intention. Crafted with smooth calf leather or a mix of calf leather and suede, the bag comes in 3 sizes, affectionately differentiated in sizing by numbers of 22, 24 and 48. There is also a removable shoulder strap which I love, as you can transform the bag's look easily with the versatility of shoulder sling, hand carry or cross body carry. A handy magnetic closure external pocket also made sure you can easily access any frequently used items, making the Saint Laurent Classic Duffle, an arm candy of understated sophistication and high functionality.

Ladies may look chic with the bag, but guys can work the design equally well. Just check out the pic above. Now I am sold to the idea I need this bag in my collection!

The Saint Laurent Classic Duffle bag retails for **US\$2650** (Classic Duffel 22), **US\$3150** (Classic Duffel 24 - Size 17.5" x 13" x 8", Drop 6") and **US\$3650** (Classic Duffel 48). Now available at [www.saintlaurent.com](http://www.saintlaurent.com).

## Stars Wearing Saint Laurent Duffle Bags: Kate Moss, Beyoncé, Rosie Huntington Whiteley & More

GALLERY >> Stars with Saint Laurent duffle bags

The hottest bag to be seen with right now has to be Hedi Slimane's first it bag, the Saint Laurent duffle. We love it so much we put it the number one spot in the Fashion Charts in this week's issue. Gwynny was the first star to be spotted with the slate grey version swinging from her arm at LAX airport back in August. Skip forward six months or so and the leather loveliness has been carried about by everyone from Beyoncé to Kate Moss.

The hottest bag to be seen with right now has to be Hedi Slimane's first it bag, the Saint Laurent duffle. We love it so much we put it the number one spot in the Fashion Charts in this week's issue. Gwynny was the first star to be spotted with the slate grey version swinging from her arm at LAX airport back in August. Skip forward six months or so and the leather loveliness has been carried about by everyone from Beyoncé to Kate Moss.

La Moss could well be Hedi Slimane's number one fan, as she has worn a fringed suede SL jacket, the Autumn 2013 sheer body suit and a Saint Laurent lace jacket and cigarette pants. She loves the clothes, yes, but Mossy has a definite soft spot for Hedi's accessories. As she has been spotted with the yummy duffle bag on several occasions, showing that the bag is one of the most versatile handbags around. She has paired her black Duffle 12 with a traffic stopping blue fur, a sleek black tuxedo and cigarette pants and a leopard coat and trilby.

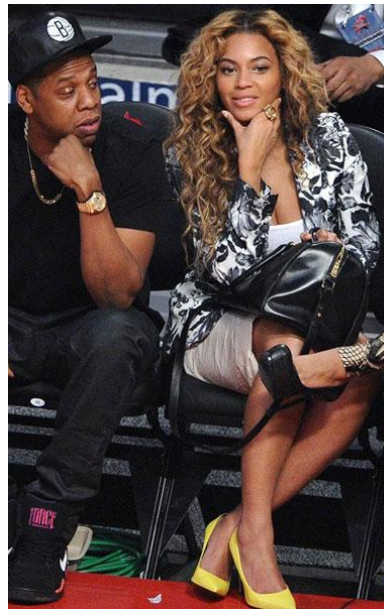

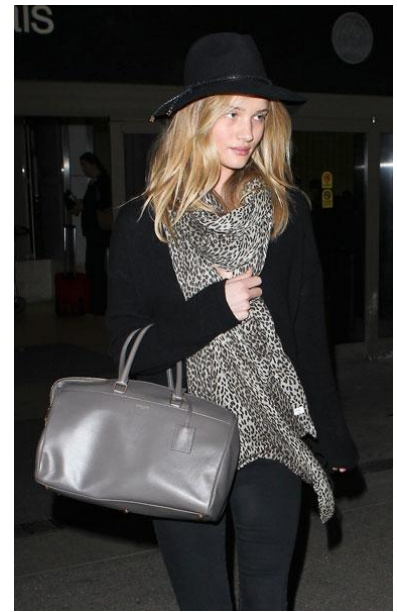

The bag is clean and classic, so won't date like some of the notorious it bags of the early 2000s. It's simplicity means that it works with different styles, as the bag has been worn by French hipster Lou Doillon, glossy super Rosie Huntington-Whiteley, pop royalty Beyoncé and grungy style icon Sky Ferreira.

Bey wore her Saint Laurent duffle to sit courtside with her hubby Jay, with a pair of neon heels and a look-at-me blazer. While model Hanne Gaby wore hers with a black maxi and cream shirt to wander the Tuileries in between shows at Paris Fashion Week. The Laurent bag is the ultimate hunk of leather to achieve the model off-duty look.

The duffle is available in three sizes in black, grey, off-white, blue, red and pink. But the most popular colour by far is black, followed closely behind by the grey version. If you have a spare £1,545 lying around head to [ysl.com](http://ysl.com) and place your order.

***But if you can't drop a grand or two on a bag just yet, then take a look in the gallery above and spend the next ten minutes swooning at one of the most beautiful bags you'll see this season.***

## Celebrities Love: The Saint Laurent Duffle Bag

Posted on April 4, 2013 by Rosie Savage

There may be plenty of controversy surrounding the re-branded [Saint Laurent](#) label but it hasn't stopped celebrities obsessing over the luxury brand's Duffle Bag. The likes of Beyoncé, Michelle Williams, Lou Doillon and Hanne Gaby Odiele are all fans of the stylish yet surprisingly practical bag. Both Gwyneth Paltrow and Rosie Huntington-Whiteley actually see its convenience, what with the former using it for mum-on-the-go errands and the latter for long haul flights.

Singer and actress Sky Ferreira – who modelled the pre-autumn/winter 2013-14 collection for Hedi Slimane – is, naturally, a fan of all things Saint Laurent. Her rock 'n' roll aesthetic goes with the bag perfectly, as does Kate Moss'. Even Lily Cooper (née Allen) has been spotted with the [Saint Laurent bag](#), despite having a long love affair with all things Chanel in the accessories department.

Which celebrity rocks the Saint Laurent duffle bag the most?

### 女星連環撞 GIVENCHY Lucrezia包超搶手

這款GIVENCHY全新的Lucrezia包才剛推出，就讓好萊塢女星超級搶手！以充滿對稱美學的外型、長方形大容量，加上方便攜帶的側背帶，受到包括Amanda Seyfried (阿曼達塞弗瑞)、Charize Theron (莎莉賽隆)、Jessica Chastain (潔西卡雀絲坦)、Miranda Kerr (米蘭達可兒)、Megan Fox (梅根福克斯) 等好萊塢大顆女星青睞，也因此「耀」目出。雖然這些女星，都以性感美艷著稱，私底下卻紛紛看上Lucrezia，可見中性帥氣風格的包款，反而比甜美可愛的包款熱賣。

GIVENCHY的包，一向受到時尚人士喜愛，繼Nightingale、Pandora、Arigona三大IT包款後，2013的Lucrezia包也來勢洶洶，是否會成為春夏的IT bag呢？咱們拭目以待吧！

### 各角度都行！LONGCHAMP 3D包新亮相

法國品牌LONGCHAMP又推出包款新作！這款名為3D系列的包，由於立體結構強烈，能創造出3D感而命名之。延伸品牌2013春季建築結構的靈感，設計師巧妙運用兩條垂直的皮帶，與一條浮羅LONGCHAMP字樣的皮革精緻相連，將本系列托特包，附上能把玩的抽屜，堪稱「每個角度都時尚」的新式設計。

演過《金髮尤物》、《大公司小老闆》與《地獄怪客》的好萊塢女星Selma Blair (莎瑪布萊兒)，就常被捕捉背著3D托特包外出。由於內容量寬敞，附可折式肩背帶，要當成手提包，或學習Selma Blair肩背，都相當實用。

### SAINT LAURENT 設計師包款新作

近兩年以Cabas Chyc包、橫掃IT bag寶座的SAINT LAURENT，2013年初推出的新款DUFFLE包，氣勢越來越旺，在超模Kate Moss (凱特摩絲) 搶奪後，Gwyneth Paltrow (葛妮絲派特羅) 與名模Posie Hurlington Whitely (羅絲杭廷頓) 也迅速跟進，持著戴灰色的DUFFLE包款凱走。

這款DUFFLE包，是設計師Hedi Slimane上任後，推出的新包款之一。值得一提的是，此包共有四種大小：6、12、24、48，這個數字代表什麼呢？是象徵著妳與包包相處的時數；換句話說，就是相處越久，需要帶越大容量的DUFFLE包。

而這位號稱比利時最會穿衣服的超模Hanne Gaby (漢妮蓋比)，自2005年出道便一炮而紅，但隔年卻因車禍被撞斷雙腿，幸好Hanne並沒有因而喪志，依然努力復健，並於2008年重回伸展台。長相獨特的她，背著墨綠色的DUFFLE包外出，散發出優雅神韻，實在相當迷人。

## 極簡新左岸

經歷品牌改名和工作室遷移的大動作後，Hedi Slimane帶領 Saint Laurent以全新形象出發的雄心更趨堅定。今年春夏他為女裝打造的首個配件系列中，以簡潔俐落的現代氛圍貫穿 Duffie、Sac de Jour兩大包款，並重新詮釋大師經典意蘊的Paris和Janis女鞋，塑造性格鮮明的女子樣貌。

以鍍金Saint Laurent字樣低調妝點的Duffie包，經過特殊處理的方正皮革包身，能感與各種重量而不屈變型，並以6/12/24/48等4個數字區隔4種包款大小，也象徵適合使用的時間時數。數字越大代表可以使用的小時越長，容量也相對加大。字義上直接翻譯自法文用語的Sac de Jour包，則描繪相對於Duffie包休閒愜意的正式路線，以小牛皮質或加乘極簡外型，應喻都會女性在忙碌奔波的日曆白領生活中，以簡潔緊要的從容哲學。

以鑲釘裝飾尖極頭的Paris鞋也是不同以往的新作，Hedi將舊版logo字樣上的2個迷你方塊，轉化為四角方形鞋跟，象徵對聖羅蘭大師的左岸傳統致敬；而Janis鞋則是在瑪莉珍樣式上加入各式鑲釘裝飾，展現復古叛逆兼具的衝突設計。被列為重點主打的貴金屬飾品是Hedi最為用力的系列，取材精密工業的製作技術，先以925純銀為基底鍍上一層5微米的18K金，再毫米無差的對準接合，確保無縫質感，最後再以鏡面拋光呈現耀眼光澤，極簡自我的風格精準呼應了Hedi心中的新聖羅蘭形象。

01 Kate Moss是Hedi心中的新聖羅蘭女郎，由她來詮釋Duffie包自然是最佳代言人。02 命名为VERMEIL的飾品系列，以繁複工序和無接縫處理凸顯質感，反映出Hedi追求完美低調的性格。03 Duffie包以小時數而非尺寸區隔包身大小，定義趣味中也帶有休閒實用的基調。04 Sac de Jour包是相對於Duffie包的新作，方正簡潔的設計全為白領女性量身打造。05 Janis鞋在瑪莉珍款式上加入鑲釘細節裝飾，復古之中低調展現衝突感。06 比利時名模Hanne Gaby在巴黎女裝周期間，攜著Duffie包奔波趕場，也算是為聖羅蘭新包款打響知名度。

## **Minimalist New Rive Gauche**

Hedi Slimane's major moves in brand name change and relocating the design studio have grounded his ambition in leading Saint Laurent's re-launch with a brand new image. For this spring / summer women's collection, he creates a vibrantly personalized look for woman with his first accessory collection that includes the two simple, smart, modern bags of Duffle and Sac de Jour; and offers reinterpretation of the Maestro's iconic Paris and Janis shoes.

The Duffle Bag understatedly features embossed Saint Laurent signature in gold. The unique processing of the box leather bag keeps it in shape even carrying various weights. The bag is sized by four sets of numbers: 6/12/24/48 that symbolize appropriate hours of use. The greater the number is, the longer the hours of use they represent, as its capacity is proportionally increased. Sac de Jour, as it directly translates from French, offers a formal sketch contrary to the casual Duffle bag. The touch of calf plus its minimalist exterior imply the poise of managing intricacy with simplicity for busy office ladies.

Studded pointy-toed Paris shoes are also innovated items. Hedi transformed the two mini logo plaques from the old version into square pumps as a symbol to salute the Rive Gauche tradition by Maestro Saint Laurent. Janis shoes, on the other hand, are implemented with studded T-strap Mary Jane to present the contrasting design of retro and rebel. The highlighted collection is the precious metal jewelry created by Hedi. The manufacturing technology of the precision industry features a 925 sterling silver base plated with 5mm of 18K before being meticulously assembled for a seamless presentation. It is then applied with mirror polishing for a cool shine. The minimalist, personalized style meticulously echoes Hedi's new Saint Laurent image.
